

**PRODUCT CODE:** HS-RETDEV-6M

**PRODUCT DESCRIPTION:** 6 Metre Self Retracting Device

## PRODUCT COMPLIANCE

**CERTIFICATION** EN360:2002 – Retractable lanyards  
EN362 – Connector

**PACKAGING** Individually packed in a box and serial numbered, with user instruction leaflet and carabiner.

## MATERIALS

**LIFELINE CABLE** 4.5mm galvanized cable

**HOUSING** Thermoplastic housing

**SWIVEL ANCHOR** Forged steel

**SWIVEL SNAP HOOK** Steel (Zinc Passivation)

## TECHNICAL FEATURES

**ANCHOR POINT** The anchor point swivels to reduce the possibility of the cable becoming twisted during use.

**HOUSING** Strong thermoplastic housing designed to protect the internal working components.

**ERGONOMICS** This device has a solid handle integrated into the body to allow for ease of use.

**CARABINER** Screw gate carabiner with automatic closing function which connects the Self Retracting Device to an anchor point.

**SNAP HOOK** A double action connector which connects the Self Retracting Device to the user's harness.

## SUGGESTED ENVIRONMENTS

This product has been designed to be used in a covered environment which is not exposed to the outdoor elements for extended periods of time.

## WARNINGS

MAXIMUM/MINIMUM WEIGHT	Certified to a maximum of 140kg for human use. The user must be a minimum of 59kg.
CONNECTIONS	This device must be connected to a certified anchor point as well as certified full body harness.
POSITIONING	This device can only be connected from a position above the user. This device cannot work in a horizontal or lower than horizontal setup.
PRODUCT LIFESPAN	There is no lifespan on this product if it has been inspected and found to be in safe working condition.
IN THE EVENT OF A FALL	Should this product have been subject to a fall, or there is visible damage, it should be removed from service immediately and not used until it has been inspected by a REBEL Subject Matter Expert.
COMPLY TO INSTRUCTION MANUAL	The user must comply to the user instruction manual. Not adhering could lead to serious injury or death.
